| Back-Up Ring SRI                       | 576, 644 |
| Bellows Type 9000 made of PTFE         | 720      |
| Bellows Type 9002 made of PTFE         | 721      |
| Bellows Type 9020 to 9023 made of PTFE | 722      |
| Bellows for Cable Bushing              | 719      |
| Belt Pulley with Elastomer Track       | 699, 893 |
| Buffer                                 | 871      |
| Butterfly Valve Seal                   | 696      |

## C

|                               |          |
|-------------------------------|----------|
| Carboflex 6587                | 781      |
| Carbosteam® 6550              | 782      |
| Carbosteam® S 6555            | 783      |
| Cassette Seal HS              | 146      |
| Cassette Seal Type 1          | 140      |
| Cassette Seal Type 2          | 142      |
| Cassette Seal Type 3          | 144      |
| Cerampack 6450                | 784      |
| Cerampack HT 6451             | 785      |
| Chevron Seal Set made of PTFE | 276, 651 |
| Circular Mount                | 868      |
| Combi Seal                    | 148      |
| Combi Seal SF5                | 150      |
| Combi Seal SF6                | 152      |
| Combi Seal SF8                | 154      |
| Combi Seal SF19               | 156      |
| Compound Packing HT 7102      | 793      |
| Concial Mount                 | 852      |
| Cover Lead Seal Type 6324     | 594, 798 |

**D**

|                                          |          |
|------------------------------------------|----------|
| DIP                                      | 525      |
| Decoupled Gears                          | 701, 895 |
| Decoupled Chain Gear                     | 700, 894 |
| Decoupled Elements                       | 702, 896 |
| Diaphragms                               | 743      |
| Diaphragms for Accumulators and Bladders | 750      |
| Diaphragms for Industrial Valves         | 751      |
| Diaphragms for Pumps and Compressors     | 749      |
| Disk Bellow                              | 713      |
| Double U-Shear Mount                     | 866      |

**E**

|                          |          |
|--------------------------|----------|
| EK, EKV                  | 361      |
| EKF                      | 406, 543 |
| ES, ESV                  | 273      |
| ESS (Energy Saving Seal) | 113      |
| Endless Packing Rings    | 598, 786 |

**F**

|                                       |          |
|---------------------------------------|----------|
| FRA                                   | 408      |
| FRI                                   | 419      |
| Fitting Tools as Mounting Auxiliaries | 477      |
| Flat Mount                            | 860      |
| Flex-O-Dit                            | 665      |
| Flex-O-Form P                         | 663      |
| Flex-O-Form S                         | 661      |
| Flexalon 6250                         | 787      |
| Forseal FOA made of PTFE              | 364, 669 |
| Forseal FOI made of PTFE              | 290, 667 |

**G**

|                      |          |
|----------------------|----------|
| G-Spezial 6560       | 790      |
| G-Spezial I 6569     | 791      |
| G-Spezial S 6565     | 792      |
| Grafflex® 6501       | 597, 656 |
| Grafflex® Cover Seal | 592, 657 |
| Grafolan 6575        | 788      |
| Grafolan HT 6570     | 789      |
| Grippers GR2         | 686      |
| Guivex KBK           | 412      |
| Guivex SBK           | 421      |

**H**

|                               |     |
|-------------------------------|-----|
| H with Spring                 | 286 |
| H without Spring              | 288 |
| HLPS (High Low Pressure Seal) | 114 |
| Height Adjusters              | 885 |
| Hydro Bush                    | 834 |
| Hydro Mount DL                | 836 |
| Hydro Mount KL                | 842 |
| Hydro Mount VL                | 839 |

**I**

|                  |     |
|------------------|-----|
| Instrument Mount | 875 |
|------------------|-----|

**K**

|               |          |
|---------------|----------|
| KB            | 410      |

# Catalog Overview

## Clearly laid out and useful: the new Simrit catalog for individual offerings

Quickly and clearly find exactly the right product for your application. Simrit now offers you for every product range a complete reference source for especially easy ordering. Along with the detailed list of items, our catalogs

provide valuable information on design types, important services and things worth knowing about technology and applications. Simply order our catalog or Technical Manual now at [www.simrit.com](http://www.simrit.com).

### Simmerrings and Rotary Seals

### Seals for Fluid Power

### O-Rings and Static Seals

### Special Sealing Products

### Vibration Control
